Parents are asked to support their son/daughter's discipleship development by:

- Modeling the faith we seek to share with the children entrusted to us
- Participating in the celebration of the Eucharist with son/daughter each Saturday or Sunday.
- Encouraging son/daughter to assume roles in the parish liturgy (server, lector, musician, greeter...)
- Participating in the celebration of the Sacrament of Reconciliation.
- Engaging in family prayer, both formal and spontaneous.
- Participating in Lenten practices, as well as the Triduum (Holy Thursday, Good Friday, Holy Satur)
- Engaging in discussions that examine the problems facing our society and our role as Catholics to alleviate the social problem.
- Insuring that children regularly attend classes and other catechetical activities scheduled for them
