

# BEHOLD THE LAMB OF GOD

The TRUE tall tale of the coming of Christ

Thursday, December 22 6:30pm-7:30pm

St. John's, Little Chute

**Free** (a free will offering will be taken)

**Just sit back and enjoy this Advent evening of reflection. It is a musical concert that tells the true story of the coming of Christ. Be inspired!**

Andrew Peterson (the artist who created the album) writes: "It is my best and most heartfelt hope that by listening to this telling of the Story you will come to lose yourself for the Author, the only one worthy serving, loving, and living for Merry Christmas."

*More on the album they will be performing:* Named one of the 10 best albums of the decade, Behold the Lamb of God is a collection of songs about Jesus. Since 2000, Andrew Peterson and his friends have performed Behold the Lamb around the country, telling again and again this "true myth", as C.S. Lewis called it, this tale that's bigger than life, but is-astonishingly-true. The tour has become a yearly tradition during the Advent Season not just for Andrew and the other artists on the tour, but for families and churches who attend the concert each season. Join us for this musical concert!
