

SPONSOR COMMITMENT

Because I myself, have been called by name by our God through the Sacraments of Baptism, Eucharist and Confirmation, I willingly accept the invitation to journey with my candidate on the same path of faith.

I commit myself to sharing my personal faith in Jesus Christ and especially how that faith plays a role in my family, work, civic community and faith community.

I pledge to help my candidate examine the promises made by their parents and god-parents at Baptism, and how they can embrace these promises now personally at Confirmation. I promise to remain faithful to my own Baptismal promises throughout this process and continuously uphold my candidate in prayer. Additionally, I promise to be a faith mentor and witness throughout this preparation time as well as later into the candidate's life.

It is with great joy and humility that I take on this responsibility and privilege. I ask blessing of Father, Son, and Holy Spirit as well as the prayers of this gathered community.

Amen.
